Makers supply list

To insure ease of global back up service, we have sourced all our equipment from only the most highly regarded manufacturers. Our maker's list from which the client can select their preferences includes familiar names synonymous with quality, durability and service to the luxury yacht industry.

Some of these leading companies include:

| | | | | |
|------------------------|--------------------|-------------|--------------------------|----------|
| - Furuno | - Nera | - Seatel | - Atlas | - CAT |
| - MTU | - Northern Lights- | Sea doo | - LG | - Bose |
| - Panasonic | - Sony | - Miele | - Kahlenberg | - C-Quip |
| - Nautical Structures- | Marquipt | - Besenzoni | - Awlgrip | - Muir |
| - Sunbrella | - Headhunter | - Cruisair | - Sea recovery | - HRO |
| - Alfa Laval | - TRAC | - Quantum | - American Bow Thrusters | |

Added to this is the extensive selection of rich and exotic timbers, marbles and granites which Brasil is renowned for, that are on our door step and where other shipyards come for their yachts. This selection, along with a full range of leather, alcantara, suede, tiles, carpets, fabrics, etc, allow us to build each yacht precisely to the client's specific requirements working with their interior designers.

General arrangement

The general arrangement for the Fittipaldi S 70 is yet to be finalized. Today, we offer the opportunity to discuss exact personal requirements and present a specially drawn version. The S 60 may be considered as a base to work from.

FITTIPALDI S 60 shown above for illustration purpose only for foredeck helipad option and aft hull doors also available on the S 70.
