

Maiora – 33m

M/Y Ramina

Motor Yacht Ramina is a 33,15m (108' 8") Maiora yacht built in 2009 and she is available for luxury yacht charters in the Eastern Mediterranean areas of Turkey and Greece. M/Y Ramina comes with latest Italian style, state of the art machinery, recreation, and leisure equipment making for a superb yacht charter holiday for family and friends.

This semi displacement motor yacht has a planning hull and is able to cruise at 25 knots and has a top speed of 28 knots with her two X MTU 16V2000 M93 diesel engines of 2450 BHP each. RAMINA is able to charter with up to 9 guests sleeping overnight in 4 cabins.

Maiora yachts are characterized by a combination of traditional building with new ideas and technology, unique to each individual yacht. All Maiora yachts carry the European CE certification and the Italian registry RINA's highest classification, also known as the Maltese Cross. Each ship yard responsible for the yacht building is operated as a contained unit, ensuring product quality.

EXTRA SERVICES for this Greece charter yacht include:

A Private Jet Beechcraft Hawker (Premier 1 A) - This magnificent private Jet carrying 6 guests will be available to transport guests to the yacht – under separate terms. Please contact CharterWorld for full details:

- 1) Transportation within 2 and 1/2 hours from/ to Athens Or up to 900 miles.
- 2) Minimum booking of m/y Ramina of 7 charter days.
- 3) The extra additional fee of Euro 1500 on top of the charter fee of the yacht for every single day of charter.
- 4) Availability always subject to owner's final confirmation.

This private jet gives a great opportunity and unique service for the transportation of VIP guests from their pick up port/home to Athens and vice versa...Also the jet flights can apply if the yacht has to be delivered in another island besides her berth in Athens or if the guests wish to disembark in an island and then fly straight to their homes...Please request for more information by contacting CharterWorld.
