Accommodation: El Chris built by the renowned shipyard Lurssen Werft known for its cutting edge design and high technology, is a true classic masterpiece. The outer deck areas of El Chris have all been carefully planned in such a way to provide comfort and ease for use throughout the day and night. The aft main deck area has two large sofas, ideal for an evening drink. The upper deck offers the perfect spot for serving breakfast or lunch without sacrificing the sea view. The sundeck offers ample space for getting that perfect suntan in the comfort of sunbathing lounge chairs. For a more secluded sunbathe, one can laze on the large cushions on the bow. The significantly large main salon has been carefully designed with attention given to detail, premium quality and timeless design. An absolute spot for entertaining guests, watching your favourite DVD or easy listening to your desired music. The dining area offers a true setting for gourmet meals. The secondary saloon located on the upper deck is the spot to wind down with a drink or a game of chess. El Chris can accommodate up to 14 guests in 7 cabins in absolute style and comfort. The full beam master cabin, located on the main deck, has a king size bed, a sofa, desk and his & hers bathroom. The full beam VIP cabin, located on the lower deck, has a sofa bed and his & hers bathroom. The full beam double cabin and four twin cabins, located on the lower deck,

have ensuite facilities. All cabins & saloons have audio/visual entertainment. Full beam master cabin with his and hers bathroom on main deck Full beam VIP cabin with his and hers bathroom, one full beam double cabin and four twin cabins with ensuite facilities on lower deck
