

Prince de Neuchatel – 25m – 3 cabins

Built originally in 1967 In Holland and fully rebuilt in 2007 in Greek shipyards with high attention to details she combines the brilliance of her kind with the comforts of a modern yacht.

Prince has two staterooms with queen size beds and one twin cabin berths all with en-suite marble bathrooms, a comfortable galley, a sunlit interior salon and lots of space for lounging and sunbathing on the exterior.

Prince is the perfect way to explore the Aegean islands in style and in absolute harmony with Greek sailing tradition.
