ALEXANDROS ACHILLEAS and the journey continues with a fairy wooden boat, sailing in blue seas, endless horizons, islands with famous myths and civilization monuments, heavenly beauties, it continues in Greece ... the sunny Greece...!

The inspirer and owner of "Generalis" guesthouse, having a successful route in the field of hospitality and great love towards the sea, created the continuity of his fairyland by constructing "Generalis Yacht", a unique, wooden 25m. sailing boat, equal in luxury to the guesthouse.

The "Generalis Yacht" sailing boat was made exclusively by wood and with high value from 2006 to 2008 in the Argolic valley. The virtuoso naval architect Ioannis Lekkas had the supervision of this construction. Five fully equipped cabins, a kitchen, bar, indoor and outdoor sitting area, water sport equipment and skilled crew, ready to satisfy all requirements and wishes, are only some of the facilities offered for a memorable holiday.

Our sailing boat "Generalis Yachts" sails in every sea, in every myth... everywhere Aeolus blows... in the magical Aegean Sea where Odysseus wandered... in the emerald Ionian Sea... in the Sporades islands of the Argonauts... in the Icarian Sea... in the Myrtoan Sea.. in our islands... in Greece... the sunny Greece...!!
